The background image shows a nursery room. The wall is covered in a wallpaper with a repeating pattern of stylized flowers and leaves in shades of grey and white. In the foreground, there is a white wooden crib on the left, a white storage unit with several woven baskets in the center, and a white fluffy rug on the floor. A small white toy house is on the floor to the right. The text is overlaid on a semi-transparent white box in the center of the image.

TROPICART

TropicArt is the inaugural wallpaper collection that encapsulates Ze Haus Design Studio's signature design style, inspired by nature found in the South Florida region and abroad in the Caribbean islands.

The prints feature a plethora of tropical botanicals and animals, creatively illustrated in four coordinating designs.
